OF THE PEOPLE'S REPUBLIC OF CHINA

## Joint Statement of Intent

between

the Industrial Property Office of the Czech Republic

and

the State Intellectual Property Office of the People's Republic of China

to Cooperate in the Field of Patent Prosecution Highway

The Industrial Property Office of the Czech Republic and the State Intellectual Property Office of the People's Republic of China (hereinafter referred to as "both offices")

**Reaffirming** the need for patent protection as a key element for fostering technological innovation and accelerating economic development;

**Noting** the increasing necessity to adequately cope with the ever-growing number of internationally filed patent applications resulting from a significant demand for patent protection in the context of globalization of the world economy;

**Acknowledging** the importance of ensuring high quality, expeditious and inexpensive patent protection for applicants filing their applications with both offices;

**Recognizing** the benefits for patent applicants and industry of avoiding unnecessary duplication of work, reducing workloads, and streamlining the patent procedures in both offices; and

**Desiring** to further enhance their significant role in cooperative efforts to be made worldwide in the field of patents;

express their intention as follows:

1. Both offices will commence a "Patent Prosecution Highway" (PPH) pilot programme. The basic concept of the PPH programme is that where the office of the first filing (OFF) has determined that one or more claims of a patent application is/are allowable, the applicant will be entitled to the benefit of an accelerated examination before the office of the second filing (OSF) for the corresponding, subsequent application, provided that certain conditions are met, including the sufficient correspondence of claims between the two applications and that work results of the OFF are made available to the OSF.

2. Both offices will begin the pilot programme on 1 January 2018. The programme will be piloted for a period of two years and may be extended if necessary.

3. The documents on its implementation of the pilot programme will be finalized before the start of the programme.

4. This statement and the documents on the implementation of the pilot programme are subject to regular review and can be modified upon each office's request and by mutual consent.

Signed in Prague on 5 June 2017, in two originals in English and Chinese each, both texts being equally authentic.
